INSTALLATION – NEW VNE PLACARDS

1. PLANNING INFORMATION

A. MODELS AFFECTED:

See Table 1.

B. PREFACE:

The information given in this Service Information Notice lists a procedure for replacing existing VNE placards with new placards, reflecting the latest VNE data for the 369H Series helicopters affected. Placards may be obtained from your nearest Service Center or Distributor.

The placard change is in accord with FAA requirements and reflects the data now contained in the latest revisions to the Approved Rotorcraft Flight Manuals for 369H Series helicopters.

It is requested that the acknowledgment of compliance with this Service Information Notice be returned to the Customer Service Department as soon as possible.

C. TIME OF COMPLIANCE:

Shall be accomplished within next 10 hours of helicopter operation, or within 30 days after date of this Notice, whichever is sooner.

D. FAA APPROVAL:

FAA APPROVED
