PAINT SCHEDULES AND ORDERING PROCEDURES

TO: All owners and operators of Hughes Helicopters

MODELS AFFECTED:

All 500 Model 369H Series Helicopter

REFERENCES:

500 Series - Basic HMI, Issued 1 October 1972; Revision No. 7,- 15 October 1976 Model 369H Series Helicopters Log Book

The color code numbers for finish paints used on each new helicopter are now being entered in the helicopter Log Book prior to delivery of the aircraft

To facilitate paint ordering, it is recommended that owners and operators of Model 369H Series helicopters check the helicopter Sales Order for paint numbers listed for the aircraft, and to enter these paint numbers in the helicopter Log Book, so they will be readily available for service personnel.

The attached paint schedule is; provided to assist in ordering Advance Coating finish paints for touching up or repainting your helicopter. When ordering paints from Advance Coating, specify each paint by type (i.e., acrylic, epoxy, polyurethane), by description. (color), and by AC part number. Also include the compatible HS or

Fed Std No., as listed, to ensure that the correct type and color paint is provided.

It is to be noted that the helicopter Log Book or Sales Order may identify paint finishes by SA No. (Andrew Brown Co.). If so, when ordering Advance Coating paints, check that the AC No. and the SA No. are compatible.

Advance Coating paints may be procured direct from Advance Coating and Chemicals 2213 N. Tyler, South E1 Monte, California 91733. Contact Mr. Thomas Hughes; telephone (213) 579-6Z70.

For further information, contact your Service Center or Distributor.
