PROPRIETARY RIGHTS NOTICE

The technical data and information contained in this publication is the property of and proprietary to MD Helicopters, Inc. and is not to be disclosed or reproduced in whole or in part without the written consent of MD Helicopters, Inc.

RESTRICTED USE

MDHI provides this manual for use by owners, operators and maintainers of MDHI products and authorized parts. Use by STC or PMA applicants or holders as documentation to support their certificates is not an authorized use of this manual and is prohibited. MDHI takes no responsibility for customer's use of parts manufactured under an STC or PMA when this manual is used as documentation with the Federal Aviation Administration to justify the STC or PMA. Use of unauthorized parts on MDHI products will void the MDHI warranty offered to the customer on components and may void the warranty on the helicopter.

MD HELICOPTER, INC.

TECHNICAL MANUAL RECOMMENDED CHANGE REPORT

This manual has been prepared and distributed by the Technical Publications Department and is intended for use by personnel responsible for the maintenance of MDHI Helicopters. Periodic revision of this manual will be made to incorporate the latest information. If, in the opinion of the reader, any information has been omitted or requires clarification, please direct your comments to this office via this form (or a duplicate). An endeavor will be made to include such information in future revisions.
