

KEEPING CESSNA PUBLICATIONS CURRENT

The information in this manual is based on data available at the time for publication, and is supplemented and kept current to Cessna Dealers by Customer Care Service Information Letters, Customer Care Newsletters, and Customer Care Owner Advisory Letters published by Cessna Aircraft Company. In addition to this information, your dealer has been supplied a group of vendor publications which describe complete disassembly, overhaul, and parts breakdowns of some of the various vendor equipment items. These vendor publications are all kept current by issuing Vendor Service Bulletins, etc., to Cessna Aircraft Company, which in turn reissues them under Cessna Vendor Service Bulletin Notices to all appropriate dealers.

Further, this publication is also kept current in the following two ways:

1. **REVISIONS/CHANGES.** These are issued to the dealers by Cessna Aircraft Company for this publication as required, and include only pages that require updating.
2. **REISSUE.** Manual is reissued to dealers as required, and is a complete manual incorporating all the latest information and outstanding revisions/changes. It supersedes and replaces previous issue(s).

REVISIONS/CHANGES and REISSUES can be purchased from your Cessna Dealer or directly from the Cessna Supply Division, SPA Dept. 703, Cessna Aircraft Company, 5800 East Pawnee, Wichita, Kansas 67218.

All supplemental service information concerning this manual is supplied to all appropriate Cessna Dealers so that they have the latest authoritative recommendations for servicing these Cessna aircraft. Therefore, it is recommended that Cessna owners utilize the knowledge and experience of the factory-trained Dealer Service Organization.
